CORAM : S.A. BOBDE, J.

October 7, 2005.

P.C.:

There is no dispute that the admissibility of the document in question has been kept open for decision at the final hearing of D.C. no.100 of 2000, in view of the fact that the document is marked for identification. As a result, the petitioner would be entitled to submit, at the final hearing, that the document has been duly proved and the respondent would be entitled to oppose it. In this view of the matter, the learned counsel for the petitioner seeks permission to withdraw the petition. Allowed to withdraw.
